REENA ABRAHAM

PHP Developer | Laravel & CodeIgniter Expert | RESTful APIs

☎ +971 - 588963991 ✉ contact.reenaabraham@gmail.com

PROFESSIONAL SUMMARY

Proactive and results-oriented PHP Backend Developer with over 5 years of experience building and scaling robust web applications using Laravel and CodeIgniter. Well-versed in creating secure, high-performance backend systems, integrating third-party services, and developing clean, reliable RESTful APIs. Brings a solid foundation in HTML and CSS, with active learning in Vue.js to strengthen full-stack capabilities. Experienced in Agile/Scrum workflows and confident in using Git for version control. Focused on writing clean, maintainable code and consistently improving performance through industry best practices. Returning from a career break with renewed energy and a strong commitment to adding value to a forward-thinking development team.

PROFESSIONAL EXPERIENCE

Career Break - Parental Leave	Feb 2023 - Present
<ul style="list-style-type: none">• Took a planned career break to focus on the birth and care of my first child.• Maintained technical proficiency through self-paced learning, including:<ul style="list-style-type: none">◦ Stayed updated with the latest Laravel & CodeIgniter versions via personal projects and tutorials.◦ Began exploring Vue.js to strengthen modern front-end development capabilities.◦ Developed a full-stack CRUD application using Laravel (backend) and Vue.js (frontend) as part of a self-initiated learning project to deepen SPA development skills.	
PHP Developer	Dec 2022 - Jan 2023
Lamp Media Tech, Dubai, UAE	
<ul style="list-style-type: none">• Built and maintained dynamic web applications using CodeIgniter and MySQL.• Supported the project manager from scoping to deployment, helping avoid scope creep and delivery delays.• Collaborated with front-end developers to ensure seamless integration of server-side logic with front-end design and UI.• Partnered with the SEO team to identify and resolve performance bottlenecks, improving load speeds by 20%.
